

HP Universal Heavyweight Coated Paper

The HP DesignJet printing system—the complete solution

HP DesignJet printers, Original HP inks and printheads, and Original HP large format printing materials are designed to work together as a system to provide reliable, consistent results with every print.

Accomplish more with consistent results every time

Look to this economical, recyclable¹, and FSC®-certified printing material, ideal for a variety of medium ink-density graphics and technical applications including presentations, indoor signs, and posters that are frequently replaced. From working comps and design proofs to POP signage and special event posters, see high-quality, consistent image quality print to print and roll to roll.

Make the economical choice for everyday prints

Meet your everyday printing needs and enjoy consistent, high-quality results with this economical heavyweight matte coated paper.

Add flexibility—this paper is FSC®-certified

Use this high-quality printing material across a broad range of HP DesignJet printers. And get added flexibility with this recyclable, FSC®-certified paper that supports the development of responsible forest management worldwide.

Target customers	Applications	Benefits
Architects	Posters and presentations	Consistent, high-quality results
Engineers	POP and retail displays	Cost-effective for everyday use
Geographic Information Systems (GIS) professionals	Geographic Information Systems (GIS)	Broad HP DesignJet printer compatibility ²
Graphic designers	Architecture (AEC) and engineering (MCAD)	FSC®-certified paper
Print service providers	Architecture (AEC)	Recyclable through commonly available programs
Geographic Information Systems (GIS) professionals	Engineering (CAD)	1+ years unlaminated in-window, 200+ years indoor display permanence
Architects		Compatible with both Original HP dye- and pigment-based inks
